Program Description

Students are prepared to take Ohio's Licensing Board of Cosmetology Certification Test. Students passing this exam will be licensed cosmetologists qualified for immediate employment, performing professional grooming services related to the care of hair, skin and nails. Instructors and students are kept up to date in this rapidly changing profession by attending shows and conferences, hosting guest artists and participating in competitions. Internships will be available in "high end" salons.

If you are artistic and interested in hair styling, makeup analysis and nail care, here's a program that allows you to apply your talents and your interests. Instructors and students are kept up to date in this rapidly changing profession by attending shows and conferences, hosting guest artists and participating in competitions. As soon as you complete this two-year program you can apply to take the State Board exam and become a licensed Cosmetologist. You'll be qualified for immediate employment, performing professional grooming services related to the care of hair, skin and nails. Who knows – some day you could become a famous make-up artist or a salon owner!
